Dear Sir/Madam

Dishonoured cheque - Account No:

The cheque bearing no _____ dated _____ for Rs. _____ forwarded by you
in settlement of the above electricity account has been dishonoured by the bank with remark

Refer to drawer

Therefore, please make arrangements to pay immediately a sum of Rs. _____ being
the value of dishonoured cheque, Rs.50/- for postage, Rs.100/- for dishonoured cheque charges charged by
the bank and surcharge of 2% on the value of the cheque. The payment can be made in cash
to our collection counters from 8.00 a.m to 4.00 on any working day with a manuscript bill
obtained from this office. Alternatively, a Bank Draft drawn in favour of General Manager, Ceylon Electricity
Board can be forwarded by post quoting our reference number given above. Please note that failure to settle the
dues immediately would result the supply of electricity to your premises being disconnected without further notice.
In order to prevent the disconnection of electricity supply, please produce the receipt pertaining to the settlement of dues
to the respective Area Engineer.

The notice of dishonoured cheque sent by the bank which is in my custody will be released on production of the receipt
in proof of settlement of all dues in this regard.

Please ensure that the cheques forwarded by you for settlement of electricity bills in the future are duly honoured

Yours faithfully,

Accountant
ProvincialRevenue

Copy to: Area Engineer - Unless a written conformation is received within 7 days, please make
arrangements to suspend the supply of electricity under the above account
number. Payment in settlement of dishonoured cheques are to be made only
through the cash counters of the above Office hence, please , refrain from
issuing manuscript electricity bills for payment through Banks/Post Offices
or any other collection
