Dishonoured Cheque – Account No:

The cheque bearing no dated for Rs. forwarded by you in settlement of the above electricity account has been dishonoured by the bank with remark **Refer to Drawer**.

Therefore, please make arrangements to pay immediately a sum of Rs. being the value of dishonoured cheque, Rs. /- for postage, Rs. /- for dishonoured cheque charges charged by the bank and surcharge of % on the value of the cheque. The payment can be made in cash to our collection counters from **8.30 a.m. to 4.00 p.m.** on any working day with a manuscript bill obtained from this office. Alternatively, a Bank Draft drawn in favour of **Chief Executive Officer, Electricity Distribution Lanka (PVT) LTD** can be forwarded by post quoting our reference number given above. Please note that failure to settle the dues immediately would result the supply of electricity to your premises being disconnected without further notice.

In order to prevent the disconnection of electricity supply, please produce the receipt pertaining to the settlement of dues to the respective Area Engineer.

The notice of dishonoured cheque sent by the bank which is in my custody will be released on production of the receipt in proof of settlement of all dues in this regard.

Please ensure that the cheques forwarded by you for settlement of electricity bills in the future are duly honoured.

Yours faithfully,

Accountant (Revenue) - EP

Copy to: Area Engineer - Unless a written conformation is received within 7 days, please make arrangements to suspend the supply of electricity under the above account number. Payment in settlement of dishonoured cheques are to be made only through the cash counters of the above Office hence, please , refrain from issuing manuscript electricity bills for payment through Banks/Post Offices or any other collection
